

*Dear Windy Hill Residents,  
Tom and I have been proud to call Windy Hills "home". We raised our two sons in a wonderful community with supportive, caring neighbors. I am running for Mayor to make sure our "Mayberry" remains the same idyllic "home" for future generations!*

**Helen Davis for Windy Hills Mayor**  
**Windy Hill Resident 38 years**  
**City Council Member since 2014**

**Campaign platform: fiscal responsibility citizen involvement, and collaboration with neighboring cities**, including St. Matthews, Indian Hills, Northfield and Crossgate on areas of mutual concern and benefit. It is critical that Windy Hills elect a Mayor who is not only dedicated to the city but who understands the finances, the budget, the ordinances, has served on the council and has the time and expertise to devote to our City.

**Examples of Council work:** supported recycling from the time I joined the council in 2014; drafted the Rental Ordinance 2016; crafted the budget for 2018. Further, because I believe that city officials should be well-informed about city issues, I have completed 12+ hours toward the **Level I Achievement in City Governance**.

**Endorsed by retiring Mayor, Jim Ising:** a true servant of Windy Hills for 14 years, Jim's expertise cannot be replaced but I pledge that if elected, I will do my best to emulate his excellent leadership and understanding of the complexities of being mayor of a city with a population of nearly 2500 and 1100 + households.

**I would appreciate your vote on Tuesday, November 6.**
