

## WINDY HILLS TREE BOARD MINUTES

May 27, 2023

**PRESENT:** Scott Breland, Terry Breland, Joyce Bridge, Kate Greer, Laura Trachtenberg

The Board discussed the Tree Ordinances in length. It made several recommendations and concerns that will be addressed with the Mayor and Council.

The Board will have a table at the Fourth of July picnic. There will be handouts about what it takes to become a Tree City USA and How to Take Advantage of the Tree Subsidy Program. We also hope to get email addresses of people who would like information about trees. We ordered 100 tote bags that say Windy Hills Tree City that will be given to those who sign up with us.

Laura Trachtenberg suggested that we look into ordering seedlings for Arbor Day. She has gotten prices.

If the mini drought continues, Kate will call Steve Saulter or whoever is doing our landscaping in July.

The next meeting is June, 20.
