

RUMPKE SERVICE STARTS JULY 3, 2023

The City of Windy Hills has selected Rumpke Waste & Recycling as the new waste hauler for the City.

Rumpke service will start the week of July 3. Please read and retain this mailer for important information about your service.

Rumpke will deliver one 95-gallon brown trash cart and one 95-gallon green recycling cart to each household. Carts will be delivered in late June. Please bag all trash but place recycling loose in carts.

CURBSIDE GUIDELINES

- Rumpke is not permitted to accept batteries, tires, liquids, combustible materials or any items identified as hazardous. Please contact your solid waste district for disposal options.
- Bulky materials including drywall, concrete, bricks, dirt or rocks are not accepted curbside. Contact Rumpke for disposal options.
- To dispose of latex-based paint, solidify with kitty litter. Please leave lid off and place next to garbage can for collection.
- Drums, barrels, yard and household containers are not acceptable trash containers and will be assumed trash if placed at the curb. These containers will be thrown away.

RECYCLING

Rumpke accepts a wide variety of common household items in its recycling program. Please review the list below to ensure you are recycling everything you can in Rumpke's program. All items should be empty, clean and placed in recycling cart loose. Please don't place items in plastic bags.
